

### REMARKS

Claims 1, 4-6, 12, and 16-26 remain in the application. Claims 21-26 have been added. Claims 2, 3, 7-11, 13-15 have been canceled to allow the remaining claims to issue.

#### Objection to Specification

As required by the last office action, the specification has been amended to indicate the patent numbers of incorporated applications.

#### Allowable Claims

In the last office action, claims 3, 4, 7, and 15 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Applicants thank the Examiner for deeming claims 3, 4, 7, and 15 allowable. Accordingly:

Claim 1 has been amended to include all of the limitations of claim 2 and allowable claim 3. Therefore, claim 1 is now allowable. Claims 4-6 depend on now allowable claim 1.

Claim 12 has been amended to include all of the limitations of claim 13, claim 14, and allowable claim 15. Therefore, claim 12 is now allowable. Claims 16-20 depend on now allowable claim 12.

New claim 21 includes all of the limitations of then claim 1 and allowable claim 7. Therefore, claim 21 is allowable. Claims 22-26 depend on allowable claim 21.

The other claims have been canceled to allow the present application to issue.

Conclusion

For at least the above reasons, it is believed that claims 1, 4-6, 12, and 16-26 are in condition for allowance. The Examiner is invited to telephone the undersigned at (408)436-2112 for any questions.

If for any reason an insufficient fee has been paid, the Commissioner is hereby authorized to charge the insufficiency to Deposit Account No. 50-2427.

Respectfully submitted,  
Bo Jin et al.
